

Welcome to Kindergarten!!

I am so excited to work with your child in the 2022-2023 school year! Attached is some information that you may find helpful. You will also find some fun activities that you may enjoy as you get ready to begin the new school year.

The summer packet and the suggested activities found here in this packet are for you to use with your child, as you feel needed. You can do them in any order you would like. You can complete it all or do some. I'm not planning to collect it in September and I certainly don't want your child to feel overwhelmed by any of this. I hope they are excited to learn! I can't wait to teach them!

Love,

Mrs. Adamaitis
